Asset Managers Network Workshop

Monday, 25th & Tuesday, 26th July, 2011

The Federation will be holding a two day workshop for the Asset Managers Network on the 25th and 26th of July. This is a great opportunity for the asset staff in the sector to network and share information and ideas. See below for cost, venue and registration details and the list of guest speakers to date with more to follow. We look forward to seeing you!

Secured speakers:

- Susanna Savolainen, Manager Environmental Sustainability, Housing NSW
- Andrea Pape - Stakeholder Manager - Home Power Savings Program, Office of Environment and Heritage
- Meredith Corrigan – Manager Maintenance Services, Housing NSW
- Humair Ahmad – Asset Manager, Community Housing Division, Housing NSW
- Graeme Watson - Community Safety Coordinator, NSW Fire Brigade

Agenda

We will email the agenda closer to the workshop. In the meantime, please continue to send us ideas for topics and speakers. We would be especially keen to include some sector-led discussion sessions. What are the key asset issues you would like to nut out?
